

Christmas Tree Sight Word Challenge!

Dear Family,

I have been working very hard all week making my "Christmas Sight Word Tree".

Can you please help me hang it somewhere at home so I can see it every day? Let's practice, practice, practice! If I can come back from Christmas Break and read all of the words from the tree, there will be a surprise waiting for me! So let's practice and I will work hard to learn every word.

Thanks for the help!

Love,
